

Adventure Canada/Newland Technical Rider/Stage plan

Questions: Text or call 905 396 7900 Steafan Hannigan Tech Director

The show is in 2 parts

Part 1: A 40 minute presentation.

Requirements:

1 projector with suitable connector for a Mac to plug into either Thunderbird to DVI / VGA or HDMI We prefer to use a house projector (but we can supply one if required) and screen or area for projection (again we can supply a small screen)

1 handheld wireless mic.

Part 2: A 45 minute music show.

Requirements:

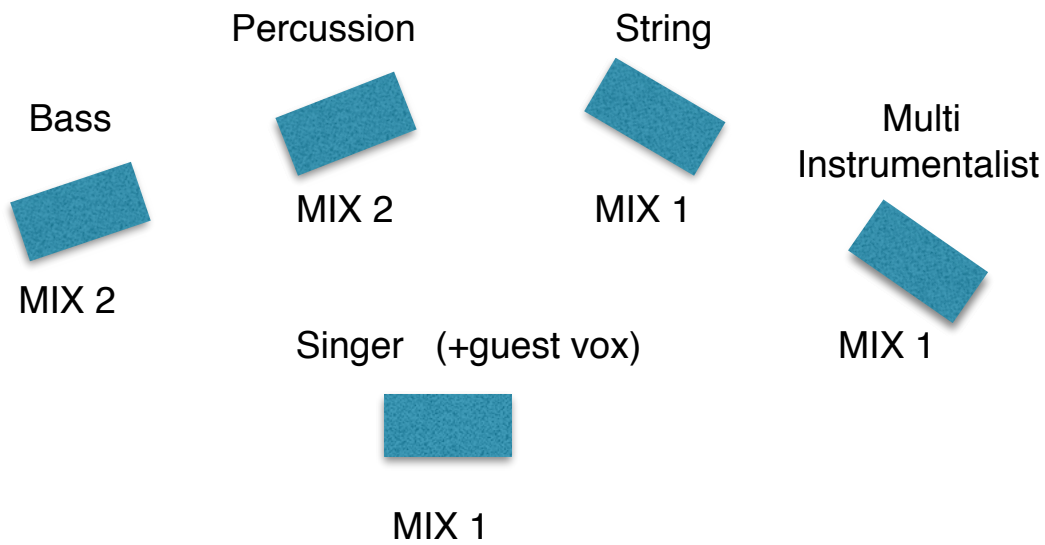

Stage set up for 5 musicians with suitable atmospheric lighting!
